What are cookies?

This Cookie Policy explains what cookies are, how we use them, the types of cookies we use (i.e., the information we collect using cookies and how that information is used), and how to manage your cookie settings.

Cookies are small text files used to store small pieces of information. They are stored on your device when a website loads in your browser. These cookies help ensure that the website functions properly, enhance security, provide a better user experience, and analyse performance to identify what works and where improvements are needed.

How do we use cookies?

Like most online services, our website uses both first-party and third-party cookies for various purposes. First-party cookies are primarily necessary for the website to function properly and do not collect any personally identifiable data.

The third-party cookies used on our website primarily help us understand how the website performs, track how you interact with it, keep our services secure, deliver relevant advertisements, and enhance your overall user experience while improving the speed of your future interactions with our website.

Types of cookies we use

Necessary

Necessary cookies are required to enable the basic features of this site, such as providing secure log-in or adjusting your consent preferences. These cookies do not store any personally identifiable data.

Cookie	Duration	Description
wpEmojiSettingsSupports	session	WordPress sets this cookie when a user interacts with emojis on a WordPress site. It helps determine if the user's browser can display emojis properly.
